Since Fall 2021 Plenary

1. Development of Friend of the Senate recognition for Dr. John Graham, President of SUNY Potsdam, who served as the Student Life Committee SUNY Administrative Liaison for three years. Submitted the materials to the Executive committee for their review and consideration.
2. Collaboration with the Equity, Inclusion and Diversity committee on the upcoming resolution on a System-wide preferred name, pronoun, and gender-identity policy -- ongoing. Three members of the Student Life Committee collaborated with EID in this effort.
3. The Student Life Committee meets monthly via MS Teams which is ongoing. Committee participation is excellent both in attendance and discussion.

Continuing:

1. Collaborate with other standing committees on resolutions
 - Title IX concerns about the application of standards and policy consistently across campuses
 - Participation in cross-committee ad hoc subcommittees
2. Create subcommittees as needed, and we have committee members willing to participating in cross-committee collaborations.
3. We have a recent SUNY graduate who serves as our system liaison, so we have a student voice to enhance the committee.
4. Participate in initiatives put forward by the Faculty Council of Community Colleges.
Attend plenary sessions of the body.
Amy Rosen-Brand serves as the UFSSLC liaison to the group.
