Student Success

There is a place for every NY student at SUNY – where we will help students not just start, but finish with a meaningful degree or credential

Student Success

**Making transfer truly seamless
& enhancing the student
experience**

Student Success

Addressing basic needs insecurity

Syllabus Statements:

“We learn as whole people. To learn effectively you must have basic security: a roof over your head, a safe place to sleep, enough food to eat. If you’re having trouble with any of those things, please talk with me or with the Dean of Students. Together we can work to make sure those needs are met.”

– SUNY Geneseo professor
