Summary of committee actions and projects for current year

1. Fostering Collaboration Between Academic & Student Affairs Professionals - Workshop. The entire Committee is working on the 2018 triennial Workshop. It will be held March 8-9, 2019, at the Genesee Grande Hotel and Suites in Syracuse. There will be keynotes, panels, and working sessions focusing on critical populations of students. Topics include poverty issues (e.g. food accessibility, emergency aid); migrant issues (e.g., DACA, immigrant student/families); microaggressions; and retention, persistence, and completion of these critical populations.
2. Developing a resolution on requesting money for childcare centers on SUNY State-operated campuses. This would be based on a similar resolution from the Faculty

Council of Community Colleges and some resolutions coming from individual campuses.

3. Investigating food issues including food insecurity related to hunger on campus as well as accessibility-related issues, including access to foods based on allergies, lifestyle (e.g. vegan), and religion (e.g. kosher or halal), access to foods that are culturally relevant, etc.
4. Reviewing existing material and making recommendations of best practices to faculty and staff on addressing issues related to violence, especially sexual violence on campuses. This will go beyond the compliance issues.
5. Examine policies on hazing & bullying policies of SUNY and campuses.
6. Jan attended the FCCC Fall 2018 Plenary at SUNY Adirondack Community College on October 11-13, 2018, as liaison from UFS SLC to the FCCC Academic and Student Affairs Committee. In return, Anne Ruszkiewicz, from Sullivan County Community College, is the FCCC liaison to the UFS Student Life Committee.

Outcomes/queries for UFS Senators to share with their campus

We want to thank the senators and CGLs who freely bring the agenda of the Student Life Committee to the attention of their campus to begin local discussions on these topics. This is an important part of UFS, our extension to campuses.

Please let your campuses know about the March 8-9, 2019 professional development workshop on collaborations between Academic & Student Affairs to be held at the Genesee Grande Hotel and Suites in Syracuse.
